You're great! I'm great!

But.....Will we be great together?

It's really important to me that you find the 'right' Celebrant to make your day as magical and perfect as you have always dreamt of!

That's why I offer an obligation-free first 'face-to-face' or Zoom meeting.

Step 3: Commit!

Let's Lock It In!!!

I take bookings up to 2 years in advance.

Once you've confirmed, we're a team, I'll send you my Client Service Agreement (Booking Form, Contract and Invoice.)

You will need to pay a \$300 booking fee and send me the signed CSA. Please note that your booking date is not confirmed until I receive the booking fee and signed agreement.

Step 4: Relax!

Take a Breath!!

Pour yourself a beverage!!

Tick one job off that Wedding Planning list!!

Step 5: Catch Up!

Step 6: Questionnaire!

- We need to fill out some important paperwork [NOIM] 30 days prior to the ceremony. I'll confirm with you what legal documents I will require prior to our meeting.
- We'll start to map out exactly how to turn your dream into a magical bespoke ceremony.
- We'll work out some strategies for an awesome day.
- I'll give you some homework (questionnaire) to discover some hidden treasures!

- **8 weeks prior** to your BIG day, please return your questionnaire.
- I will commence lovingly crafting your bespoke ceremony.
- There will be plenty of time for us to communicate back and forth to collaboratively revise and tweak as needed.
- I will ensure that you will adore every moment of your magical day.

Step 7: Dream to Reality!

Step 8: The Final Countdown!

- **2 weeks prior** to your BIG day, your Ceremony Script will be ready!
- I **will include** as many details as possible, such as:
 - All the words!!
 - Who moves where, when!!
 - Who says what, when!!
 - Who plays the music, when!!
 - How we celebrate!!
- I **won't include** your vows.

- **1 week prior**, we'll finalise everything.
- There'll be more legal paperwork to sign. (DONLIM).
- We'll have a rehearsal – just to make sure that we're all on the same page for a perfect magical day.
